Reminders

• Disney studio films (not just animated movies) will only be available via a direct link and will not be seen on the swank digital campus page with all the other films.

• Some new releases (especially superhero films) come with studio restrictions which will include extra steps before the film is made available. If you are requesting this type of film, be prepared to provide extra information.

• Approval & access are not automatic. After approval, it can take up to 2 weeks for a film to be available. It’s usually about 2 days but please plan ahead.

• If you are having an issue finding a film, please contact me.

• You only need to sign in to request movies, you can click “Student” on that initial screen if you only want to watch films.

• Browse https://www.swank.com/digital-campus for more information & resources.
